

Garden City Center Associate Job Application

Please briefly answer the following:

- Please provide all licensing credentials and all states you are licensed to practice in.
- Please describe what draws you to Garden City.
- Please describe your experience as a mental health professional thus far (how long you've been practicing, types of clients you've worked in, types of settings, etc.).
- What are your areas of expertise and areas of interest?
- What are your theoretical orientations (i.e. CBT, DBT, psychoanalytic, etc.)?
- How would you ideally like your faith to be involved in your therapy work?
- What are your hopes for working at a Christian practice overall? How do you foresee Garden City being a part of those hopes?
- How would you describe your faith? Are there specific doctrines (such as the Apostles' Creed or the Nicene Creed) or denominations that you resonate with?
- Our stance at Garden City is to be accepting of all (and having a client-led approach to faith in the therapy space) and we work with a diversity of clients, in all senses of the term. What is your interest in diversity?

References

- Please provide three references with the submission of your application.
- Two of the references need to be clinical, one can be pastoral or professional.
- Information needed: Name (credentials if applicable), relationship to you, email address, and phone number

Please return the application to both Ashley & Stacey via email
